PATENT

ASSIGNMENT OF PATENTABLE INVENTION

WHEREAS Ludmila Pekerman (the "Assignor"), residentially located at 283 Fern Avenue, Richmond Hill, Ontario, L4C 0C8, is the inventor and sole owner of all right, title and interest in and for the invention which is comprised in the patent application listed in Schedule A;

AND WHEREAS 6989837 CANADA LTD. (the "Assignee"), the full post office address of whose principal office or place of business is 283 Fern Avenue, Richmond Hill, Ontario, L4C 0C8, has acquired from the Assignor all of its right, title and interest in and for Canada in the invention which is comprised in the patents application as fully set forth and described in the attached Schedule A;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of \$1.00, the receipt of which is hereby acknowledged:

1. the said Assignor confirms that she has sold, assigned and transferred, and it does hereby sell, assign and transfer to the said Assignee, its successors and assigns, its whole right, title and interest:
 - a. in and to the invention which is comprised in the patent application and any patent which may be issued arising from the invention which is comprised in the application, as listed in Schedule A hereto;
 - b. in and to any continuations, divisions, reissues, reexamination certificates and extensions relating to the invention, the patent application and any patent which may be issued from the invention which is comprised in the application, as listed in Schedule A hereto;
 - c. together with all claims for damages by reason of past infringement of the invention which is comprised in the patent application and any patent which may be issued from the invention which is comprised in the application, as listed in Schedule A hereto, with the right to sue for and collect the same for its own use and behalf or for the use and behalf of its legal representatives;
- said inventions, patents and patent applications to be held and enjoyed by the Assignee, for Assignee's own use and behalf, and for Assignee's legal representatives and assigns to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made;
2. the Assignor hereby authorizes the issuance to the Assignee of any and all Letters Patent not already issued as said Assignee of its entire right, title and interest in and to the same, for the sole use and benefit of said Assignee, its successors, assigns or legal representatives.
3. the Assignor, on behalf of itself and its executors and administrators, hereby covenants and agrees to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications, and other instruments as may be reasonably required by said Assignee, its successors, assigns or legal representatives,

or desirable for security to said Assignee, its successors, assigns or legal representatives, or to obtain any and all Letters Patent, or for maintaining the patent and patent application hereby assigned or agreed to be assigned, as specified in the attached schedule and invest the same for said Assignee, its successors, assigns or legal representatives.

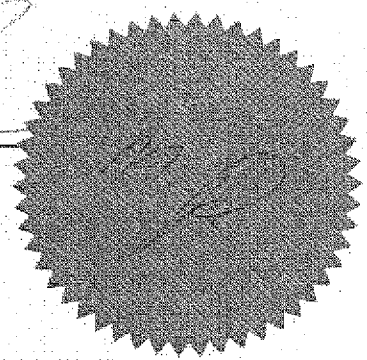

IN WITNESS WHEREOF the Assignor has duly executed this Assignment of Patentable Invention under seal this 29 day of April, 2009.
